shall propose to the Conference the establishment of Main Committees and of any other sessional bodies of the Conference. It shall propose to the Conference the allocation of items between the plenary meetings, the Main Committees and any other sessional bodies (rule 42). In the past, at each regular session the Conference established a Main Committee to which all the substantive items of the agenda were referred for a more focused debate aimed at the preparation of consensus draft decisions and resolutions for submission to the plenary. The Industrial Development Board, in decision IDB.21/Dec.15, paragraph (d), recommended to the Conference that items 7 to 19 of the provisional agenda be allocated to a main committee.

When considering the organization of work, it should be kept in mind that the budget for the Conference in the programme and budgets of UNIDO, 1998-1999, provides only for a total of five working days, comprising plenary, main committee and geographical group meetings. Moreover, in its decision on preparations for the General Conference (IDB.21/Dec.15), the Board agreed to hold a forum on industrial development within the framework of the Conference (item 9 of the provisional agenda). The draft tentative schedule for the eighth session of the Conference is shown in the annex to the present document.

Any later change in the composition of the delegation also shall be submitted to the Director-General. The credentials of representatives shall be issued either by the Head of State or Government or by the Minister for Foreign Affairs of the Member concerned. A Permanent Representative to the Organization does not require special credentials if his/her letter of accreditation to the Organization specifies that he/she is authorized to represent his/her Government at sessions of the Conference, it being understood that this does not preclude that Government from accrediting another person as its representative by means of special credentials.

A Credentials Committee of nine members shall be appointed at the beginning of the Conference on the proposal of the President. Its composition shall be based on that of the Credentials Committee of the United Nations General Assembly at its fifty-fourth session, which is as follows: Austria, Bolivia, China, Philippines, Russian Federation, South Africa, Togo, Trinidad and Tobago, and the United States of America. The Committee shall examine the credentials of representatives and report without delay to the Conference which shall decide any question arising (rule 28).
